

Holy Spirit led. Grace filled. Life changing.

Made New Vision

Every woman untethered, living in the Freedom of Christ.

Every home alive in the Spirit.

Every child growing up in the Way, the Truth, and the Light.

Every family bearing great fruit for the Kingdom of God.

Made New Mission

The Made New ministry exists to equip women, and in particular mothers, to live their lives attuned and courageously responsive to the promptings of the Holy Spirit. Through prayers, writings, imagery, an online classroom, and regular face-to-face connection (using Instagram and Facebook Live), we share stories and inspiration to draw us each closer to Christ and to Mary, Mother of God. Through personal coaching, live workshops, and Freedom retreats, we create experiences where love, connection and belonging lead us into deeper conversion, healing, and freedom.

Consecration prayer to Mary, Mother of God

Mary, we consecrate ourselves and this ministry to you, our Blessed Mother, under the title: Mary, Mother of God.

We humbly seek your guidance and intercession, that this ministry would bear mighty fruit for the Kingdom of God.

We pray that all your precious daughters will experience deep conversion, healing, reconciliation, and freedom through this ministry, along with a great appreciation for their feminine genius.

We beseech you, Mary, Mother of God,

that all mothers will be pierced with a profound desire to live Spirit filled lives.

May they grow in openness and sensitivity to the promptings of the Holy Spirit.

May your daughters everywhere see and believe the truth: that they are beloved, precious daughters of God.

May they be strengthened in spirit, mind, and body to follow your example of total surrender to the Father's perfect will.

Through this consecration, may our vision be brought to life –

Every woman untethered, living in the Freedom of Christ.

Every home alive in the Spirit.

Every child growing up in the Way, the Truth, and the Light.

Every family bearing great fruit for the Kingdom of God.

We pray for an outpouring of the gifts of the Holy Spirit on this ministry and each member of our team.

May we be ever-willing instruments at your hands, that God may be glorified and many may be set free! Amen!
