

Effective immediately You Are Made New Ministry is offering additional online ministry opportunities so we can gather together in prayer. We, the faithful must respond, in any time of trial really, in courage and trust. Standing together raising our voices in confidence to our Lord, especially as fear, anxiety and a sense of panic are engulfing many around us. Find a calendar of all virtual prayer gatherings here:

Please include these intentions in your daily prayers:

Let us pray for peace and deep trust in our Lord to see us through this uncertain time, and cover all of our families' needs: spiritual, emotional, physical and financial.

Let us pray for those children for whom school is a way to escape the stress and violence they encounter in their homes. Dear Lord and Mother Mary, wrap each of these precious children up tightly in your arms. Guard and protect them.

Let us pray that our homes will truly be "schools of love," free from fear and worry.

Let us pray that our Lord will grant every parent the grace to recognize each of their children as a gift, entrusted to them by God, the Father.

Let us pray for a swift end to our present time of trial. And most of all, we pray Thy Will be done. We praise and thank you Jesus. We love you and we pray in your most holy name, amen.
