

# Covenant Prayer

Father, I want to find a new relationship with you and the new life you are promising. I want to know you more fully. I want to have you change my life and give me the power to live in a better way. To allow you to do this, I promise to attend the Life in the Spirit Seminars each week, to set aside 15 minutes each day to seek you on my own, to pray with the community each week, and to share with the others in the seminar how I am growing and what difficulties I am experiencing. I wish to allow you the chance to give me those things you have promised.
