

Denise (De) Yarrison guides women along the journey to spiritual and emotional healing, through coaching, deliverance prayer, and healing retreats. She is consistently awed at how very present our Lord is and has witnessed, again and again, the healing power of His deep Love for each one of us.

"I am humbled and privileged to walk alongside my sisters in Christ, to be invited into their stories and life experiences. I pray we will each know - really claim in our bones -how deeply, unconditionally, and extravagantly we are loved by God our Father. May we open ourselves to His love and allow it to change our lives!" - De Yarrison
