

*Dear Jesus,*

I lift to You today \_\_\_\_\_ for healing. She is your child, precious daughter of the Most High. By her faith, and our faith for her, we claim healing. Lord, we know you are with her and Your love is constant and unfailing. We come against anything that would separate her from You. Jesus, I ask that You please

*Comfort her heart.*

*Still her despair.*

*Quell her doubt.*

Surround \_\_\_\_\_ with Your faithful ones, as it be Your will. Share the gift of Your gracious Blessed Mother with her. Help her to feel my love and prayers and grant her the strength to seek You with an open heart. Thank You for sustaining her in You, Christ Jesus, our Lord. We pray in Your most Holy Name,

*Amen*
